Direct entry application and official high school transcript due: January 1
Scheduled interview: Arranged after application is received.
Offer of Direct Entry Admission: February 1
Acceptance Deadline: February 15

Direct Entry Plan
Direct entry into the Coe College nursing program is available for selected high school students only. High achieving high school students have the opportunity to enter the nursing major as first year students and be admitted to the nursing program through the direct entry plan. This plan is a possibility for academically qualified candidates who decide early that they wish to pursue the nursing program at Coe, and who want early assurance that they will enter the program with a strong academic record in College. Please refer to the Coe College Nursing Department website for additional information http://www.coe.edu/academics/nursing/nursing-bsn.

Direct Entry Criteria:
To be considered for direct entry, students must meet minimum ACT, GPA, and course requirements (listed below) and interview with nursing faculty. Admission is competitive, thus, meeting the minimum requirements does not guarantee admission. All direct entry applicant files are reviewed by nursing faculty.
1. Minimum 27 ACT Composite score;
2. Minimum 3.7 or higher GPA;
3. Minimum 25 ACT Science Reasoning Score; and
4. No deficiencies in the minimum high school course requirements:
Four years of English; three years of mathematics, science, and history; and two years of foreign language.
