Senior		PS 235 The News Media and American Politics ENG 300 Film Analysis	

*Most students will pick up this major their sophomore or junior years so requirements are similar.

**Seats are held for first year students in the fall; due to the course popularity it may be difficult for 1st and 2nd year students to enroll. Declared majors should speak to the instructors about reserving a seat asap.

***Working on the reservation requires self-discipline. We suggest students wait until their junior or senior years. Mature sophomores will be considered but no first year students. The course is offered most years, with an occasional rest due to circumstances at Little Eagle Day School. The course is not offered 2007.

**** RHE 405 may be taken twice; first time required; second for credit. Course topic is Public Relations in even-numbered years; Nonverbal Communication in odd-numbered years.
