

COE COLLEGE

Coe makes it possible. You make it happen.

CAMPUS VISIT DAY **Saturday, October 18, 2014**

9:00 - 9:45 AM **Registration & Continental Breakfast** **Stewart Memorial Library**

Get to Know Campus

Over 70% of a college student's time is spent outside of the classroom. Our residential campus community allows Coe students to take advantage of every minute. Talk to faculty, students and staff representing the offices and programs that connect with our students from their first day on campus until the last.

Athletic Meetings

If you have a passion for your sport and plan to continue athletic involvement in college, you are in good company! Nearly 40% of Coe's student body is comprised of student-athletes. Because coaches are occasionally unavailable due to a scheduled competition or practice, please contact our office at 877.CALL.COE or admissionevents@coe.edu prior to your arrival if you would like to arrange a meeting.

9:45 AM **The Coe Difference**
Be involved, major in more than one area, gain real-world experience through internships, research projects or off-campus study...and still graduate on time! Our panel members will answer questions and tell you why this type of academic success is the norm at Coe.

10:30 AM **Campus Tours**
Nearly 70 acres and state-of-the-art facilities...Is it any wonder our current students can't wait to showcase their collegiate home? In this hour-long walking tour, you will have the chance to see academic, athletic and residential buildings, all from the college student perspective.

11:45 AM **Faculty Luncheon**
Meet with representatives from your primary area of academic interest in a casual setting. Faculty and current students will answer questions and highlight the unique offerings you can only find at Coe.

Show your Kohawk Spirit
