STUDENT ALUMNI ASSOCIATION

PROMOTING TRADITION, SPIRIT AND PRIDE

Coe College 1851
Preparing Tomorrow's Alumni Today Through Networking
A major goal of the Coe Student Alumni Association (SAA) is to establish a network between current students and alumni of Coe College. This network may provide students with networking contacts for career possibilities or graduate schools. Furthermore, we would like to have alumni return to campus to share their experiences with today’s students. Career dinners are held once a semester and provide students with one-on-one interaction with alumni. Things change as the years go by, and our hope is that the visions and memories of the alumni will be carried through to today's Coe students.

By Assisting on Campus
SAA collaborates with campus offices and organizations. We have helped with reunions, career workshops, Family Weekend, Siblings Weekend, Homecoming festivities, Final Packs and graduation. We also manage the Coe Emergency Assistance Fund to raise money for the Coe family (students, faculty and staff) to assist Kohawks in need.

By Sponsoring Activities
In August, SAA participates in orientation by welcoming freshmen to Coe. The Brat ‘n’ Beverage tent is an event that SAA began in 1991 and has become a Homecoming tradition. We also sponsor an alumni children’s party and Senior Send-off. Occasionally we sponsor a bus trip for an away athletic contest. Come to the Organizational Fair to learn more about SAA.

Goals and Purposes
The Coe Student Alumni Association was founded as a service organization encouraged by the Coe Alumni Office and supported by the Coe students. By maintaining a link between current students and alumni we are keeping the Kohawk traditions, spirit, and pride alive on our campus today.

The group has three main purposes:
- To sponsor campus events and activities which promote spirit and enhance interaction between students, faculty, staff and alumni of the college.
- To increase awareness of past, present, and future students of the history of the college.
- To work in cooperation with college offices and the Alumni Council in developing a network between current students and the alumni.

Who is SAA?
SAA is a diverse group of Coe students. We are male, female, freshmen through seniors, Greek and non-Greek. Members all have at least one thing in common; we all have enthusiasm for Coe College.
