Anonymous Sexual Assault Report Form

Today’s Date: ______________

We encourage all survivors of sexual assault to report the incident to the police, and/or to avail themselves of any/all of the resources listed on our sexual assault website www.coe.edu/titleix.

- To file an official report for criminal action, call Coe College Campus Safety and Security at 319-399-8888 and/or the Cedar Rapids Police Department at 319-286-5378.

- To file a student conduct report, contact Student Development at 319-399-8843.

If for whatever reason you or someone you know who has survived a sexual assault choose(s) not to use these other resources, you may complete this anonymous reporting form.

Anonymous reports are used for the following:

- gathering and recording information regarding the incidence of sexual assault on and around our campus;
- tracking incidents of sexual assault on campus;
- informing the community about the campus climate.

Survivors who may not initially be inclined to report a sexual assault to the police or to Coe College have the right to change their mind at any time. Information the student provides on this anonymous reporting form can be used at that time should the survivor so choose.

This form is anonymous and confidential. Please print this form, put it in an envelope, and put it in campus mail addressed to: Student Development – Sexual Misconduct Coordinator

The form will be sent to the Sexual Misconduct Coordinator. Completing this form does NOT constitute a police report or a student conduct report. The college will not contact you unless you provide your contact information.

The information on this form will be used on the annual report submitted to the Department of Education in compliance with the Clery Act.
