To: All Students <allstudents@coe.edu>

Hello Students!

We hope you are having a great week so far!

This email is just a friendly reminder/update to anyone who is in charge of a student organization or interested in starting a student organization on campus. Communication regarding student organizations from the Office of Student Life will be coming from this email ([studentactivities@coe.edu](mailto:studentactivities@coe.edu)). If you are interested in starting a club or have questions concerning a student organization, or if you have any comments or concerns, please feel free to email this account.

If you are in charge of your club, and you would like to continue to be a club, please make sure to check your email. We will be emailing your club directly if we need to communicate any information that is important to your organization. We will send information to club emails and **NOT** to all students. If you fail to check your email, it could result in your organization losing its recognition as an official student organization. This would result in the loss of a variety of benefits and it is not something that any of us want. If you are not able to access your club's email account, or have any other issues, questions or concerns, please email this account!

Additionally, if you know that your student organization is missing some information that could put it at risk of losing recognition (More information [here](#)), **it is due to this email account by 11:59 pm on Friday, October 15th, 2021.**

Have a great weekend Kohwaks!

Sincerely,

The Office of Student Life
