STUDENT PROCESS FOR REPORTING SYMPTOMS, CLOSE CONTACT OR POSITIVE TEST RESULTS

If you tested positive for COVID-19, have COVID-19 symptoms or have experienced possible exposure, email covid@coe.edu and provide your phone number.

Immediately quarantine in your housing space away from others. Initiate health care and arrange a testing appointment if needed. For health and wellness services, visit www.tinyurl.com/coe-health-services.

A COVID-19 response team member will contact you via phone to determine the next steps.

WHAT COUNTS AS CLOSE CONTACT?
- You were within 6 feet of someone who has COVID-19 for a total of 15 minutes or more.
- You provided care to someone who is sick with COVID-19.
- You shared eating or drinking utensils.

* You must complete your full quarantine or isolation period, be fever-free without medication for 24 hours and symptoms must have improved prior to resuming campus activities.
