Beginning today (October 4) at noon, all students will be able to register more devices on the Coe wifi networks!

Students will be able to register 8 devices (instead of 5) on
mydevices.coe.edu and mydevices2.coe.edu.

[Click here](#) to view a list of which network is available in each building, along with instructions on how to register your device to the wifi network. [Click here for our full Internet FAQ](#), which is also available on my.coe.edu under the Student Tab on the Information Technology page.

If you have any questions about this change or if you need assistance registering your devices, please feel free to [submit an IT Help Desk Ticket](#).
