| Mount Mercy University                 | Washington University               |
| New York University                    | Western Illinois University         |
| Rensselaer Polytechnic Institute       | Yale University                     |

## Post-Graduation Residence

- 55.9% of the Class of 2017 reported staying in Iowa to live, work or go to graduate/professional school.
- 35.6% are living and working in the Creative Corridor (Cedar Rapids/Iowa City area).

## Additional Data Points

### Experiences While at Coe

- Of those responding to this set of questions, 39.8% said their practicum experience directly led to their job or graduate school offers.

### Job Lead Sources

- Of those responding to this set of questions, 51.9% said they found their job through personal networking.
  - **Personal Networking:** Alumni contact, family or friend contact, Coe faculty or staff referral, conversion of volunteer position, internship, part-time, or seasonal job to a full-time job, employer referral, unsolicited resume submission.
  - **Online Resources:** Website job posting, employer website, social media (LinkedIn, Twitter, Facebook, etc.), Coe connection.
  - **Other:** Print ad/flyer, career fair, Coe recruiting event, employment agency, self-employment.

Class of 2017 Job Lead Source Summary

The Center for Creativity and Careers collected and compiled information about the post-graduation activities of the Class of 2017 within one year of graduation. We gained knowledge of 247 of the 307 total graduates (approximately 80.5% of the class) through the Senior Survey (May 2017), the First Destination Survey (Dec 2017), or through sources such as social networking websites and information from Coe faculty and staff.
