Dear Kohawks,

See below for important updates and information.

### Update: Campus Community and COVID-19

Currently there are 3 positive students and 6 total in quarantine or isolation. 2 faculty or staff members have tested positive and are safely in isolation.

Numbers of students in quarantine or isolation are updated twice per week on the [Coe website](#).

### Update: Campus Masking Policy

With the continued improvements in cases in Linn County and the Coe community, and with updated masking guidance expected from the CDC tomorrow, the COVID leadership committee, senior staff team, and executive committee are reviewing the masking guidelines and will share more information early next week.

### Reminder: Community Benchmarks

Below are the benchmarks the COVID Leadership committee is monitoring:

- The **Coe community positive rate** continues to be under 1%.
- The Coe community has surpassed 85% **vaccination rate** in the student population and 94% for faculty and staff.
- The CDC continues to list **Linn County** as a high risk for transmission.
- **Hospital capacity** is listed as green (capacity established).
