APPLIED MUSIC COURSES

In the catalog and course schedules, Applied Music courses are identified with an MUA (Music-Applied) followed by the individual number of the class. Catalog numbers for ensembles and other performance-related courses are on this page and the numbers for lessons appear on page 2 of this Handbook. The prerequisite for enrollment is audition or consent of the Department Chair. All MUA courses are offered in Fall and Spring Terms only. Credits earned in courses valued below .5 may only accrue up to two of the 32 credits required for graduation. They do continue to earn credit and count towards grade point averages.

B – Brass	P – Percussion
C – Composition	V – Voice
K – Keyboard	W – Woodwind

The three-digit number for half-hour lessons begins and ends with the number “1.” For example, a half-hour lesson per week in piano has a catalog number of MUA-101K. Each half-hour lesson carries 0.3 credit.

The three-digit number for hour lessons begins and ends with a “2.” For example, MUA-202V is a catalog number for an hour lesson in voice. Each hour lesson carries 0.6 credit. The catalog number for the Senior Recital is MUA-490, and registration in MUA-490 includes a term of one-hour lessons. MUA-490 is a 1.0 credit applied music course.

POLICIES, OPERATIONS, AND PROCEDURES

Communication

Coe College provides mail and email systems. Students (whether living on- or off-campus) are expected to regularly monitor these systems as important communication from the Department of Music may be delivered by either of these media. Additionally, students are expected to check the bulletin board across from the Music Office on a regular basis as important communications and announcements may be posted there as well.

Student Advisory Board

The Student Advisory Board, composed of five student members, acts as a liaison between the students and the faculty. The SAB election is held at the first Music Club meeting of the Fall Term. The chair of the Student Advisory Board is elected by all students in Music Club. Following the election of the chair, one board member is elected from each class (senior, junior, sophomore, first year) by the members of that class.

Locker Rental And Key Deposits

Keys for storage lockers and for the use of special practice rooms, the instrument storage room, the Petranek Electronic Music Laboratory, and the Sinclair Auditorium organ require a cash deposit of \$5.00 per year of which \$3.00 is refundable when the key is returned. Keys may be checked out in the Music Office (Rm. 103) during office hours. Keys not returned at the end of the school year may result in a charge for re-keying the appropriate locks.

Instrument Loan Policy

Coe students may borrow an instrument from the inventory of Coe College when the students are registered in an ensemble or a class that requires them to use that instrument. Instruments may be obtained by completing the [Instrumental Loan Form](#) linked here, or by scanning the QR code. Upon completion of the form, students must contact Rich Adkins at radkins@coe.edu to finish the loan process and checkout an instrument.

By signing the instrumental loan form, the student agrees (1) not to sell, mortgage, rent, or dispose of the instrument borrowed; (2) to pay all costs of replacement or repair in the event the instrument is damaged or stolen; (3) to renew this agreement or return the instrument to the Coe College Music Department on or before the return date specified, or earlier if so requested; (4) to return the instrument immediately if the class or ensemble is dropped; (5) to pay all fees necessary for any legal restitution of the instrument or for collection of monies past due.

A deposit of \$100 may be required if the instrument is borrowed for a term when the student will not be enrolled on campus, and the student must show proof of enrollment for the following term.

STUDENT RECITALS

Student recitals must have the approval of the student's lesson teacher and the Department Chair. Student recitals are held in Daehler-Kitchin Auditorium; other sites must be approved by the Department Chair. Full recitals are approximately one hour in length. Recitals are required for those who are pursuing the Performer's Certificate (see page 17) and recommended for all other music students. Candidates for the Performer's Certificate should program a minimum of 45 minutes of standard repertoire. These works must be prepared with the lesson instructor.

Recitals are optional and recommended for all music students. Senior recitals, while not required, often serve as the student's college Practicum requirement if they do not use an off-campus term or a practicum in another major. Half recitals are typically 30 minutes in length (or one half of a full recital when shared with another student). Students are responsible for their recital arrangements and should follow the guidelines below.

Recital Registration

Students who wish for the recital to count as a Practicum under the terms of the Coe Plan, must register for MUA-490: Senior Recital (1.0 credit). This registration includes 12 one-hour lessons, which will be billed accordingly.

Scheduling

(Three-month notice)

Students should schedule their recital, Recital Jury, and rehearsals with the Music Department Technical Director at least three months before the performance date. Changes in the schedule must be approved by the major teacher, accompanist, and the Department Chair. Typically, recitals may be scheduled at 7:00 p.m. on any day of the week during Fall and Spring Terms (excluding finals week) or at 2:00 p.m. or 4:00 p.m. on Saturday and at 2:00 p.m. or 4:00 p.m. on Sunday. Students giving full recitals may schedule a maximum of six hours of rehearsal time in the performance hall; students giving half recitals or less may schedule a maximum of three hours of rehearsal time.

Accompanists
(Three-month notice)

Dr. Shanley must approve the accompanist. (See “Piano Accompanying,” page 14). If, for any reason, the recital is canceled after the accompanist has begun to rehearse the music, an appropriate payment (agreed upon by the studio teacher, the accompanist, and the student) to the accompanist is required.

Recital Jury

Students wishing to perform a recital are required to perform a Recital Jury. The process for scheduling and performing a jury is as follows.

Three months (minimum) prior to recital date:

- Submit a completed Recital Jury form to the Tech director.
- The Recital Jury shall be arranged and scheduled by the lesson teacher in collaboration with the student, any additional performers, and a second faculty (preferably a core-faculty juror).

Three weeks (minimum) prior to recital date:

- The lesson teacher and the second (core) faculty juror must approve a printed copy of the program.

Two weeks (minimum) prior to recital date:

- Perform the Recital Jury*
 - in the recital performance space
 - with the recital accompanist and all assisting personnel
 - with the auditors (lesson teacher and one member of the faculty) attending
 - for shared recitals, both lesson teachers must be present
 - with a pre-approved copy of the program
 - concert attire is appropriate but not required

At the completion of the Recital Jury, the auditors choose one of three available options:

- approve the recital for performance as scheduled
- disapprove of the recital
- require the performer to postpone the recital (a second jury may be required)

*If scheduling problems require more than one jury session to perform the recital program, **all sessions must be completed two weeks prior to the recital date.**

Programs

The complete program copy must be submitted electronically and in hard copy to Beth Valenta no less than **three weeks** before the recital. The music department bears the cost of copying for senior recitals. All other students will need to pay the copy costs. Copy should include the following:

- date, place, and time of the recital
- titles of the works including movements (opus numbers if appropriate)

- composers' full names and dates
- full names of any additional performers and their instrument or voice
- translations of texts (required for voice recitals) *
- program notes for recitals fulfilling degree and/or practicum requirements**
- Teacher's name in this format: "*Student Name* is a student of *Teacher's Name*."
- If the recital fulfills a requirement for practicum, it should be listed in this format: "This recital presented in fulfillment of the practicum requirement."

*Translations and any other additions to the program must meet copyright requirements. Inclusion of items other than translations cannot be guaranteed. Dedications are not permitted.

**Program notes for other recitals are at the discretion of the private lesson teacher.

Stage Set-up, Lights, and Reception

(One-month notice)

The student giving the recital must contact Mu Phi Epsilon/Music Club one month in advance of the recital for a stage manager, who will assist with stage set-up and lights. Upon further request, Mu Phi Epsilon will provide a reception for a fee. A fee is also assessed for using Mu Phi Epsilon reception items including the punch bowl, table cloth, paperware, etc., should students prefer to provide their own receptions. No alcoholic beverages may be served or consumed at student recital receptions in Marquis Hall.

Recording

All student recitals are audio recorded free of charge. Students will need to communicate with the Music Department Technical Director, Carter Broszeit, with how they wish to receive the recording of their recital. Video recording of the recital can be requested free of charge as well.

PIANO ACCOMPANYING

Fees and Payments for Accompanists

Performances at Music Club: The accompanist can be paid from music department gift funds. It will also fund one 15-minute rehearsal.

Applied Music Juries: Students taking Applied Music juries must contact, arrange and pay for their own accompanists. Accompanists must be paid prior to the jury at the following rates:

1 rehearsal and jury: \$20.00

2 rehearsals and jury: \$25.00

Solo Recitals: All solo recital accompanists must be paid directly by the soloist prior to the recital.

Student accompanists should be paid at the following rates:

Full recital: \$175 Half recital: \$125

Faculty accompanists' fees must be negotiated by accompanist and soloist prior to the first rehearsal. The fee must meet at least the following minimum rate:

Full recital: \$250 Half recital: \$175

The accompanist fees include the recital jury, the dress rehearsal, the recital and three hours of rehearsal time. Additional rehearsal hours may require further fee negotiations directly between the accompanist and soloist.

It is the responsibility of the soloist to arrange rehearsals with his/her accompanist in a timely fashion. At least one rehearsal should be in Daehler-Kitchin Auditorium (or other approved venue) with the studio instructor present. It is the professional obligation of the soloist and accompanist to have thoroughly learned the music prior to the first rehearsal.

OPTIONAL MUSIC ACTIVITY PARTICIPATION POLICY

Any student who uses Music Department funds to assist with participation in an *optional* music activity (conference attendance, honor ensemble, ensemble tour, etc.) must have a grade of “C” or higher in all courses at the time of the activity. If the activity occurs during summer or winter break, the student must have earned a grade of “C” or higher in all courses during the prior term.

OFF-CAMPUS PROGRAMS

Coe College offers several off-campus programs, some which have a significant music component, including Coe’s New York Term, directed by Dr. Carson. Additional programs are offered by other colleges and consortia around the nation. Careful planning and consultation with your advisor may make it possible for you to include one of these programs in a music degree. Begin planning early in your career at Coe. Off-campus programs may be used to satisfy the College Practicum requirement.

DEPARTMENTAL DISTINCTION

As described on p. 40 of the college catalog, students who maintain a 3.2 cumulative GPA and a 3.5 in music may apply to complete an Honors Project and earn Departmental Distinction. Early planning is advised. An Honors Project may be used to satisfy the College Practicum requirement.

SCHOLARSHIPS, PRIZES, AND AWARDS

Music Scholarships

Music scholarships are awarded each year to **high school seniors and transfer students** who demonstrate superior talent and ability in music. Awarded on the basis of an audition and an interview with members of the faculty, the scholarships are renewable each year, as long as a student remains in good academic standing at the college and continues to perform successfully in his or her assigned ensemble.

Returning students are eligible to be considered for the following prizes:

Performer's Certificate

The Music Department faculty awards a Performer's Certificate to senior music majors who have demonstrated the highest level of achievement in performance as determined by a vote of the core music faculty. The stipulations are as follows:

1. Prior to the junior year the candidate must consult with his or her lesson teacher and file formal application for a Performer's Certificate in the Music Office.
2. The candidate must give a full Junior Recital and a full Senior Recital. Two half recitals in the junior year qualify as a full recital. No literature from the Junior Recital may be repeated on the Senior Recital.
3. During the application period but before the Senior Recital, the candidate must make significant public performances that the private teacher certifies exceed the minimum expectation of music majors.
4. The candidate and the private teacher are responsible for keeping the application up-to-date during the application period with appropriate programs and remarks.
5. The candidate and teacher are responsible for notifying the core music faculty of significant appearances by the candidate. Specific notification of the fact that each performance is part of the application for a Performer's Certificate is required.
6. Following the Senior Recital the core music faculty will decide whether to award the Performer's Certificate.

Music Department Common Course Policies

All courses in the Music Department at Coe College abide by the following policies:

Academic Integrity

At Coe College, we expect academic integrity of all members of our community. Academic integrity assumes honesty about the nature of one's work in all situations. Such honesty is at the heart of the educational enterprise and is a precondition for intellectual growth. Academic dishonesty is the willful attempt to misrepresent one's work, cheat, plagiarize, or impede other students' academic progress. Academic dishonesty interferes with the mission of the College and will be treated with the utmost seriousness as a violation of community standards. Please refer to the Coe College Academic Catalog for complete information regarding Academic Integrity: www.coe.edu/academics/academic-resources/provosts-office/academic-integrity-policy

Statement on Generative Technology

Use of generative/assistive writing technology (such as ChatGPT or similar) without express permission from your instructor is a form of academic dishonesty. If specific parameters of use are not outlined by an instructor, students should assume use of said technology is prohibited, and that unauthorized use of it will be subject to disciplinary action. Coe College faculty may set parameters for when and how the use of such technology is permissible, as well as how students should document their use of it.

FERPA

Students should be aware of their rights regarding the privacy of their educational records. Detailed information about your rights can be found under the FERPA (Family Educational Rights and Privacy Act of 1974) section in the Academic Catalog and online here: <https://www.coe.edu/academics/academic-resources/registrar/ferpa>

In line with FERPA restrictions, students should be aware that an instructor cannot publicly post grades by student name, institutional student identification number, or social security number without first having obtained students' written permission.

The Definition of a Course Credit & Expected Workload

One course credit at Coe College constitutes 180 hours' worth of student work over the course of the term. "The Department of Education has defined one hour to be 50 minutes, so 150 60-minute hours is equivalent to 180 50-minute hours." This figure includes both the time spent in class and out of class completing course work. In other words, students are expected to devote a considerable amount of time outside of class to this course. For courses that meet in a standard MWF or T-Th slot, students should be expected to work seven hours a week outside of the three hours in class.

Requesting Academic Accommodations

Coe College is committed to creating a learning environment that meets the needs of its diverse student body. If you anticipate or experience any barriers to learning in this course, please visit my office hours to discuss these concerns with me.

If you have a medical, physical, psychological, or learning need documented by a healthcare provider, or experience an unforeseen obstacle during the semester, you can make an appointment with Melanie Ostmo, Accessibility Services Coordinator, to request an official accommodation under the Americans with Disabilities Act. You can find more information about the Accessibility Services Office by visiting the [Learning Commons website](#) or by emailing accessibility@coe.edu. If you have already been approved for accommodations through Accessibility Services, please meet with me so we can develop a plan for your success together.

Reporting of Sexual Assault or Misconduct

As an instructor, one of my responsibilities is to help create a safe learning environment on our campus. I also have a mandatory reporting responsibility related to my role as a faculty member. It is my goal that you feel able to share information related to your life experiences in classroom discussions, in your written work, and in any one-on-one meetings. I will keep the information you share with me private to the greatest extent possible. However, I am required to share information regarding sexual misconduct or students who may be in danger to themselves or to others. Students may speak to someone confidentially by contacting Student Life at 319-399-8843 or emailing titleix@coe.edu, Safety, and Security at 319-399-8888, Emily Barnard (college counselor) at 319-399-8843, or visit Coe's [Title IX website](#) for more information.

MUSICIANS' HEALTH AND SAFETY

The Coe College Department of Music is committed to providing information to students, faculty, and staff members about the complex issues relating to musicians' health and safety. To that end, the department, in addition to this document, will provide a brief orientation to musicians' health and safety during one of the first sessions, each term, of the Music Club. During this orientation, students and faculty will be informed about issues relating to general health, hearing health, vocal health, musculo-skeletal health, injury prevention, and safety and security issues in the Department of Music. Further information will be provided by lesson teachers, ensemble directors, techniques instructors, work-study supervisors, and occasionally by members of the Health Services staff. Students and faculty bear the primary responsibility for their own health and safety, and should familiarize themselves with the materials below as appropriate.

Health and safety depend in large part on the personal decisions of informed individuals. Institutions have health and safety responsibilities, but fulfillment of these responsibilities cannot and will not ensure any specific individual's health and safety. Too many factors beyond any institution's control are involved. Individuals have a critically important role and each is personally responsible for avoiding risk and preventing injuries to themselves before, during, and after study or employment at any institution. This set of advisory and institutional actions taken under their influence or independently do not relieve the individual from personal responsibility for appropriate, prudent, and safe behavior or action, nor do they shift such responsibility and liability for the consequences of inappropriate, imprudent, and/or unsafe behavior or action in any instance or over time to Coe College, or to NASM.

Portions of this section of the Coe College Music Department Handbook were adapted from materials developed by the National Association of Schools of Music and the Performing Arts Medicine Association.
