Dear Kohawks,

See below for important updates and information!

Campus Community and COVID-19

Our community experience with COVID-19 remains low. Today there are zero students who tested positive in isolation and 1 student currently in quarantine. There are also zero faculty or staff members who tested positive and are in isolation.

Numbers of students in quarantine or isolation are updated twice per week on the [Coe website](#).

Linn County and surrounding community

Our larger community in Linn County continues to have limited hospital capacity, though the trend of reported positive cases is continuing to decline over the past few weeks, which is great! You can find Linn County's data [here](#).

Health Services - Appointments Available

Health Services is open for appointments to students! Our temporary nurse is now in Health Services for the remainder of the term, and our ARNP starts in November. Our Registered Nurse will take student appointments Tuesday through Friday, from 1:30 pm - 3:30 pm. Students can schedule an appointment [here](#).

We also have access to self-administered COVID testing on campus, which you can request [here](#).

Flu Vaccine Clinic(s)

There will be a final flu vaccine clinic on October 26th, 3-6 pm.

Get signed up [here](#) and find the *Healthy You* mobile bus in the loading zone outside the ARC.

Stay safe and healthy Kohawks!
