

COMMITTEES OF THE FACULTY

NOTE: Committee Assignments are effective on Commencement Day except as unfinished business of a committee requires the retiring membership to conclude its responsibilities. Accordingly, the chairpersons of committees should prepare to assume their responsibilities immediately and to plan for the work appropriate either during the summer, if necessary, or beginning September 1. The President and Provost/Dean of the Faculty are members ex officio of all committees and are to receive notices of all committee meetings and copies of all minutes.
