Accounting

Students majoring in accounting have two options: the managerial accounting major and the public accounting major. The managerial accounting major is designed for students interested in pursuing a career in private industry or the not-for-profit sector. The public accounting major is designed for students interested in practicing public accounting and those desiring the Certified Public Accounting (CPA) designation.

Because of the identical core course requirements in the managerial accounting and public accounting majors, only one of the two majors can be elected by a student. A student receiving a managerial accounting major may pursue a post-baccalaureate major in public accounting, but when completed, the public accounting major would replace the managerial accounting major in the student's records.

Requirements for becoming a CPA differ from state to state. All states require that students pass the Uniform CPA examination and many require the completion of 150 semester hours of education prior to certification. The 150 hours can be completed in undergraduate or graduate programs. To become a CPA in Iowa, the Iowa State Board of Accountancy requires that students pass the CPA examination, complete 150 semester hours of education, and complete specified course work in accounting and business subjects. Students majoring in accounting, business, or economics are required to have a minimum of 24 of their 150 semester hours in financial accounting, auditing, taxation, and management accounting courses above the elementary level. If students majoring in any other field wish to become a CPA in Iowa, they must, in addition, complete at least 24 semester hours in business-related courses (not including internships). (One course credit completed at Coe is counted as four semester hours.)

Accounting students at Coe should work closely with faculty in the department to determine their plan of study. Students wishing to become a CPA should also check the state board's education requirements for the state in which they wish to practice.

Managerial Accounting Major

A major in managerial accounting requires a minimum cumulative 2.0 GPA in all courses counted toward the major.

1. ACC-171 Principles of Accounting I
2. ECO-175 Principles of Macroeconomics
3. BUS-190 Statistical Analysis (WE)
4. ACC-215 Principles of Accounting II
5. ECO-215 Principles of Microeconomics
6. ACC-301 Intermediate Accounting I
7. ACC-315 Managerial Accounting
8. BUS-315 Business Law I
9. ACC-334 Computer Applications – Accounting
10. ACC-351 Intermediate Accounting II
11. ACC-413 Auditing (WE)
12. ACC-415 Advanced Managerial Accounting

COE COLLEGE®

Public Accounting Major

A major in public accounting requires a minimum cumulative 2.0 GPA in all courses counted toward the major. Students wishing to prepare for the examination to become a Certified Public Accountant should select the Public Accounting major, which meets the guidelines for the breadth of business and accounting courses recommended by The American Institute of Certified Public Accountants. Students at Coe can meet the 150 semester hour requirement by completing 37.5 credits.

If degree requirements are not completed by the end of four years, students pursuing a major in public accounting, who are in good academic standing, and who are full-time students, receive a 60% discount on tuition in the consecutive fifth year. They continue to be eligible to apply for student loans and any available federal and state government grants.

1. ACC-171 Principles of Accounting I
2. ECO-175 Principles of Macroeconomics
3. BUS-190 Statistical Analysis (WE)
4. ACC-215 Principles of Accounting II

Art and Art History

Rogers (Chair), Goodson, Knight-Lueth, Thompson.

A major in art or art history is designed to provide a foundation in theory and practice. Students focus on making and meaning, and gain an understanding of visual and contextual history and analysis. In studying the formal, technical and conceptual aspects of art and art history, students learn to communicate effectively to broad and diverse audiences.

An art major may also complete an art history minor, but only two courses may count toward both the major and the minor.

Art Major

A grade of “C” (2.0) or higher must be earned in all courses counted toward a major in art.

1. ARH-128 Introduction to Art History
2. Two 100-level ART- courses
3. Two 200-level ART- courses (A maximum of one credit earned through partial-credit WKS- workshops offered by the art and art history department may count toward this requirement. See WKS, p. **Error! Bookmark not defined.**)
4. One additional 200-level Art History course
5. One of the following:
ARH-307 Modern and Contemporary Art (WE)
ARH-310 Contemporary Art, Theory and Criticism (WE)
6. Four of the following:
ART-301 Focus Course: Creative Process (0.25 course credit)
ART-302 Focus Course: Portfolio Development (0.25 course credit)
ART-303 Focus Course: Contemporary Artistic Practice (0.25 course credit)
ART-311 Focus Course: Artist Statements/Talks (0.25 course credit)
ART-312 Focus Course: Artist Websites (0.25 course credit)
ART-313 Focus Course: Critique (0.25 course credit)
ART-391 Focus Course: Topics in Studio Art (0.25 course credit)

The Focus Course requirement is considered a coherent set of experiences that can be tailored to student needs. The completion of four Focus Courses is considered as a single course credit with respect to Graduation Requirements (see *Catalog*, p. **Error! Bookmark not defined.**).

7. Junior Review
This requirement must be completed no later than the second term of the junior year and is assessed by the art and art history faculty. The material submitted at the Junior Review will be related to the senior graduation requirement, which is a demonstration of proficiency through a public exhibition of artwork, with accompanying publicity materials, website and resume. A Junior Review may be attempted only twice.
8. ART-464 Senior Seminar I
9. ART-474 Senior Seminar II & Senior Exhibition

In addition to the course requirements, a student must participate in a Junior Review with the art and art history department's faculty. This must be completed no later than April of the junior year. The material submitted at the Review will be related to the senior graduation requirement, which is a demonstration of

proficiency through a public exhibition of artwork, including portfolio of slides, exhibit announcement, and résumé.

NOTE: *Scheduling may be planned to allow at least one term of study off-campus at one of the approved foreign or domestic programs. With departmental approval, courses from these programs may count as 100 or 200 level courses.*

Art Minor

A grade of “C” (2.0) or higher must be earned in all courses counted toward a minor in art.

1. ARH-128 Introduction to Art History
2. Two 100-level ART- courses
3. One 200-level ART- course
4. One additional 100-level ART- course or 200-level ART- course. With consent of department chair, courses listed under #6 above may count toward this requirement.
5. One 200-level ARH- course

Further information for all these requirements and programs is available from the art and art history department.

Art History

Art History Major

A grade of “C” (2.0) or higher must be earned in all courses counted toward a major in art history.

An Art History major may also complete an Art minor, but only two courses may count toward both the major and the minor.

1. ARH-128 Introduction to Art History
2. Four additional courses approved by the department, chosen from the following:
Courses in Art History (ARH-____)
ANT-125 Art and Archaeology of the Classical World
HIS-318 Topics in History: DWP (WE)
3. One of the following
ARH-307 Modern and Contemporary Art (WE)
ARH-310 Contemporary Art, Theory and Criticism (WE)
4. All of the following:
ARH-311 Focus Course: Research in Art History and Visual Culture (0.25 course credit)
ARH-313 Focus Course: Contemporary Issues in Art History and Visual Culture (0.25 course credit)
ARH-321 Focus Course: Theory and Practice in Art History and Visual Culture (0.25 course credit)
ARH-323 Focus Course: Curatorial Conversations (0.25 course credit)

The Focus Course requirement is considered a coherent set of experiences that can be tailored to student needs. The completion of four Focus Courses is considered as a single course credit with respect to Graduation Requirements (see *Catalog*, p. **Error! Bookmark not defined.**).

5. One 100- or 200-level ART-course
6. Junior Review

COE COLLEGE®

Coe makes it possible. You make it happen.

This requirement must be completed no later than the second term of the junior year and is assessed by the art and art history faculty. A Junior Review may be attempted only twice.

7. ARH-464 Senior Seminar I (WE)
8. ARH-474 Senior Seminar II & Senior Project (WE)

NOTE: *Scheduling may be planned to allow at least one term of study off-campus at one of the approved foreign or domestic programs. With departmental approval, up to three courses from these programs may count toward the four additional courses required in item 2 above.*

Students interested in art history or visual culture at the graduate level should complete Intermediate French I (FRE-215).

Art History Minor

A grade of “C” (2.0) or higher must be earned in all courses counted toward a minor in art history.

1. ARH-128 Introduction to Art History
2. Three additional art history courses, one of which must be numbered 200 or above.
3. One of the following
 - ARH-307 Modern and Contemporary Art (WE)

Credit System: Coe uses the Coe Credit system. Courses are one credit unless otherwise indicated. Students are expected to complete 180 hours of work to earn one course credit, although class times vary from course to course. Other institutions may convert Coe credit to their system by considering one course credit to be 6 quarter hours, or 4 semester hours.

***Academic Plan:** All students must complete at Coe at least 40% of the total course credits required for each declared major or minor or three course credits, whichever is greater. In addition to completing at least one major area of study, transfer students must abide with the following to complete the requirements for graduation:

First Year Experience: Transfer students are not required to fulfill the requirements of the First-Year Experience, if they have completed at least one full-time college term since graduation from high school.

Writing Emphasis: Undergraduate degree-seeking students who start at Coe College or who transfer fewer than 8 course credits earned after graduation from high school must complete at least 5 writing emphasis courses. Of these 5, one will usually be the First Year Experience mentioned above. Students who transfer at least 8 but fewer than 16 course credits to Coe, earned after graduation from high school, must complete at least 3 writing emphasis courses. Students who transfer 16 or more course credits to Coe, earned after graduation from high school, must complete at least 2 writing emphasis credits.

General Education: Requirements include Liberal Arts selections in the four divisional areas (Natural and Mathematical Sciences, Social Sciences, Humanities, Fine Arts) and Diverse Cultural Perspectives courses. Any courses accepted in transfer for at least 0.75 course credit that fit the criteria of the Liberal Arts and/or Diverse Cultural Perspectives core groups can be applied towards the general education requirements as determined by the Registrar.

Academic Practicum: Transfer students are required to fulfill this requirement.

BACHELOR OF ARTS: MUSIC MAJOR

Candidates for the **BACHELOR OF ARTS** degree with a major in music must successfully complete:

1. MU-109 Theory of Music I / MU-109L Aural Skills I
2. MU-209 Theory of Music II / MU-209L Aural Skills II
3. MU-309 Theory of Music III / MU-309L Aural Skills III
4. MU-458 Music History and Literature III (WE)
5. Four terms of participation in the Applied Music Course with piano as the primary or secondary performing area. (See p. 4)
6. One of the following:
MU-255 Music History and Literature I (WE)
MU-355 Music History and Literature II (WE)
7. One of the following (if not used to satisfy #6):

MU-140 Film Music	MU-166/-284 Topics in Music
MU-151 Record Label	MU-285 Conducting I
MU-157 Introduction to Jazz History	MU-355 Music History and Literature II (WE)
MU-195 Electronic Music	MU-409 Theory of Music IV
MU-255 Music History and Literature I (WE)	MUA-133V Vocal Literature
MU-261 Production Techniques	MUA-134V Vocal Diction and Pedagogy
MU-270 Musical Theatre Acting	
8. the Senior Assessment Examination in the final term prior to graduation

Jazz Emphasis

Students completing a **BACHELOR OF ARTS** degree may choose to supplement their music major with an Emphasis in Jazz. Concurrent completion of a major in music is required. A minimum of 6.1 course credits must be taken that do not count toward a major in music.

1. MU-157 Introduction to Jazz History
2. MU-409 Theory of Music IV / MU-409L Aural Skills IV
3. Five terms of MUA-102 Jazz and Improvisation Lab (0.1 cc)
4. Seven terms of MUA-101 Jazz Ensemble (0.2 cc)
5. Two terms of MUA-102K Piano: Arranging (0.3 cc)
6. Two terms of MUA-103K Piano: Jazz (0.3 cc)
7. AAM-107 Introduction to African American Studies

Music Industry Emphasis

Students completing a **BACHELOR OF ARTS** degree may choose to supplement their music major with an Emphasis in Music Industry. Concurrent completion of a major in music is required. A minimum of 6.5 course credits must be taken that do not count toward a major in music.

1. MU-195 Music Production
2. MU-202 Arts Administration
3. One of the following:

COE COLLEGE[®]

Coe makes it possible. You make it happen.

PR-205 Public Relations (WE)

RHE-265 Professional Writing (WE)

4. One additional course credit in practical musical theatre chosen from a combination of the following:
BUS-250 Principles of Management
BUS-330 Principles of Marketing (WE)
5. Three terms of MU-151 Record Label (0.5cc)
6. Two terms of MU-251 Record Label Seminar (0.5cc)

Musical Theatre Emphasis

Students completing a **BACHELOR OF ARTS** degree may choose to supplement their music major with an Emphasis in Musical Theatre. Concurrent completion of a major in music with voice as the primary instrument is required. A minimum of 6.4 course credits must be taken that do not count toward a major in music.

1. THE-150 Acting I
2. THE-170 Voice and Diction
3. THE-270 Musical Theatre Acting
4. Two terms of MUA-202V Voice (0.6 cc) with musical theatre repertoire (may not be used to satisfy the requirement of #1)
5. One additional course credit in practical musical theatre chosen from a combination of the following:
MUA-130V Musical Theatre Practicum (0.5 cc)
MUA-131V Opera Workshop (0.2 cc)
A musical theatre internship approved by the music or theatre arts department
6. Six seven-week dance courses (DAN-101 through DAN-142) (0.2 cc)

Pre-Music Therapy Emphasis

Students completing a **BACHELOR OF ARTS** degree may choose to supplement their music major with an Emphasis in Pre-Music Therapy. Concurrent completion of a major in music is required.

The Bachelor of Arts in Music, Pre-Music Therapy Emphasis, is designed to prepare students to apply to a Music Therapy certification program. It is not a free-standing major, and it does not include music therapy courses. Rather, the courses listed below are intended to better prepare Bachelor of Arts in Music students for future study in Music Therapy at an academic program approved by the American Music Therapy Association. Students must complete all requirements for a Bachelor of Arts in Music, in addition to the courses listed below. These include 5 non-music course credits and 2 additional music course credits for a minimum total of 7 course credits that must be taken that do not count toward a major in music. Courses taken to satisfy requirements in the Bachelor of Arts in Music may NOT also be used to satisfy the requirements of the Pre-Music Therapy Emphasis below, but all courses MAY be used towards general education requirements.

1. PSY-100 Introductory Psychology
2. BIO-103 Anatomy and Physiology
3. BIO-155 Organismal and Ecological Biology & BIO-155L Organismal and Ecological Biology Laboratory (WE) (concurrent with BIO-155)
4. One of the following:

5. One of the following:

THE-100 Introduction to Theatre
THE-150 Acting I
THE-160 Movement for the Stage
THE-170 Voice and Diction
THE-270 Musical Theatre Acting
EDU-112 Expressive Methods (.5 credit)

6. Two credits (or more) from the following:

MU-195 Electronic Music
MU 285 Conducting I
MU 409 Theory of Music IV
MUA-102K - Piano arranging (.3 each)

Additional terms of ensemble participation, beyond those required for the Bachelor of Arts in Music:

Concert Band (.3 each), Jazz Band (.2 each), Concert Choir (.3 each), Chorale (.2 each), Orchestra (.3 each), or Hand bells (.2 each)

Additional terms of hour lessons, beyond those required for the Bachelor of Arts in Music, on your primary instrument (.6 each):

MUA-104K Piano for the Music Teacher (0.3 cc)
MUA-151S Guitar lessons (.3 cc)
MUA-300A Alexander Technique (0.3 cc)

Strongly recommended:

- MU-255 Music History and Literature I (WE) or MU-355 Music History and Literature II (WE) (whichever is not taken to fulfill the BA in Music requirement)
- MU-285 Conducting I and MU-385 Conducting II
- Additional music performance courses (ensembles and lessons)
- Additional theatre, art, biology, business, education, psychology, sociology, and statistics courses
- Fulfill the academic practicum requirement with a music therapy-related internship

COE COLLEGE

Coe makes it possible. You make it happen.

Music Minor

The minor in music consists of six course credits. At least four of these credits must be MU courses. MUA credits (lessons and ensembles) must be taken as the Applied Music Course if they are to apply to the music minor. (See p. 4) Individual partial credit courses may not accumulate toward credit for a minor in music.

Departmental Notes

- Private music lessons are available for credit only. Declared music majors who have achieved junior status (see p. **Error! Bookmark not defined.**) and who perform in a major ensemble are not charged for lessons. Other Coe students are charged by term according to the total registered lesson credit (see p. 208). Students who have not attended three lessons by the end of the third week of classes are dropped from music lessons and may be reinstated only by petition. After the third week of lessons, students will be charged for the full term, even if they choose to drop.
- Attendance at the numerous musical events on campus throughout the year is an essential part of the student's musical training. Students taking lessons for 0.6 credit must attend a specific number of these events each term **and** the weekly Recital Hour. They must also perform in Recital Hour once each term, except for the first term of the first year of study.

APPLIED MUSIC

The Applied Music Course

Intensive studies in performance and repertoire through lessons, ensembles, pedagogy, and techniques. The applied music course requirements are:

1. An hour lesson each week, as specified in the *Coe College Music Department Faculty/Student Handbook* for each major, along with participation and attendance at the weekly Recital Hour and concerts as described above in *Departmental Notes*. (0.6 course credit)
2. Participation in one of the following ensembles, as assigned by audition: Concert Band, Concert Choir, Orchestra, Chorale.
3. Additional ensembles, lessons, or courses in pedagogy, techniques, and literature (0.1-0.6 course credit) that are required for any of the areas of study that lead to one of the music degrees. The *Coe College Music Department Faculty/Student Handbook* (see above) contains descriptions and additional information about these ensembles and courses.

Prerequisite: an audition; consent of department chair.

APPLIED MUSIC CLASSES

Artist teachers in violin, viola, cello, string and electric bass, piano, piano accompanying*, harpsichord*, organ*, flute, oboe, clarinet, saxophone, bassoon, trumpet, horn, trombone, low brass, percussion, guitar, harp, composition*, and voice are available to all students who wish to study applied music.

*Prerequisite: proficiency in piano and consent of instructor.

Composition lessons and classes in keyboard, brass, woodwind, and string literature are also available. Credit for applied music study is granted after the student has satisfactorily passed an examination by a faculty committee (jury exam) at the close of each term. Two hours daily practice per weekly hour lesson are expected of all students taking applied music.

BACHELOR OF MUSIC

Candidates for the **BACHELOR OF MUSIC** degree must successfully complete:

1. Six theory and history courses with a grade of "C" (2.0) or higher:
MU-109 Theory of Music I / MU-109L Aural Skills I
MU-209 Theory of Music II / MU-209L Aural Skills II
MU-309 Theory of Music III / MU-309L Aural Skills III
MU-255 Music History and Literature I (WE)
MU-355 Music History and Literature II (WE)
MU-458 Music History and Literature III (WE)
2. MU-285 Conducting I
3. First-Year Experience requirements (see p. 17)
4. The writing emphasis requirement of the general education requirements for the B.A. degree (see p. 17)
5. The Keyboard Fundamentals Examination* by the end of the sophomore year. Exceptions must be approved by a majority vote of the music faculty. After successful completion of this examination, credits may be accumulated toward a secondary performance area in piano.
**A description of this examination is given in the Coe College Music Department Faculty/ Student Handbook at http://www.coe.edu/adademics/music/music_degreeplans.*
6. The Bachelor of Music Advanced Standing Assessment (BMASA), an audition evaluation whereby the music faculty assesses the suitability of a student for student teaching or for the presentation of a senior recital. Students performing at the approved level are permitted to register for lessons and classes at the Advanced Level, leading to student teaching or the presentation of a senior recital. Students who are not recommended for study at the Advanced Level are required to select a degree program other than the Bachelor of Music program, or to reapply in a later term.
7. The Senior Assessment Examination in the final term prior to graduation.
8. One of the four areas of study applicable towards the Bachelor of Music degree:

Composition

1. MU-195 Electronic Music
2. MU-409 Theory of Music IV / MU-409L Aural Skills IV
3. MUA-413 Orchestration
4. MUA-423 Advanced Counterpoint
5. Eight terms of participation in the Applied Music Course (see p. 154), which must include four terms each of MUA-202C and MUA-303C
6. One course each from the social sciences, natural sciences, and humanities. (New York Term may be used to satisfy the humanities requirements, but the two required language courses described below may not.)
7. Two courses in French in consecutive terms (may not be used to satisfy the humanities requirement of #6)
8. Two additional non-music courses
9. MUA-490 Senior Recital

Keyboard and Instrumental Performance

1. MU-409 Theory of Music IV / MU-409L Aural Skills IV
2. Four of the following:
MU-140 Film Music
MU-151 Record Label
MU-157 Introduction to Jazz History
MU-195 Electronic Music
MU-261 Production Techniques
MU-270 Musical Theatre Acting
MU-166/-284 Topics in Music
MU-385 Conducting II
MU-444 Independent Study
MUA-133V Vocal Literature
MUA-134V Vocal Diction and Pedagogy

- MU-385 Conducting II
- MU-444 Independent Study
- MUA-133V Vocal Literature
- MUA-413 Orchestration
- MUA-423 Advanced Counterpoint

One course credit in MUA-courses beyond those required in the Applied Music Course. (See p. 154)

5. Eight terms of participation in the Applied Music Course. (See p. 154)
6. One course each from the social sciences, natural sciences, and humanities. (New York Term may be used to satisfy the humanities requirements.)
7. Two courses in French in consecutive terms (may not be used to satisfy the humanities requirement of #6)
8. MUA-490 Senior Recital

Music Education (Vocal or Instrumental)

To complete the Vocal or Instrumental Music Education area of study in four years, a student must begin the sequence of courses during the first year. A student entering either area of study as a sophomore should anticipate spending a fifth year to complete all degree requirements.

In addition to the following requirements, according to state regulations, all teachers in Iowa “shall acquire a core of liberal arts knowledge including, but not limited to, mathematics, natural sciences, social sciences, and humanities.” The Mathematics and Natural Science course requirements may be met through coursework at Coe, comparable courses from an accredited college, or a score of 4 or higher on AP examinations in mathematics or science. Social Science and Humanities core are met with the required EDU courses and MU Music History and Literature courses.

1. EDU-105 Educational Foundations (WE)
2. EDU-117 Exceptional Learners
3. EDU-187 Human Relations (WE)
4. EDU-195 Educational Psychology and Development
5. EDU 219 Educational Technology Lab (0.0 cc)
6. MU-205 Practicum in Music Education
7. MU-360 Elementary and General Music Methods (0.5 cc)
8. One of the following:
 - MU-361 Choral Music Methods **and** MU-362 Instrumental Music Methods for the Choral Teacher (0.5 cc)
 - MU-363 Instrumental Music Methods **and** MU-364 Choral Music Methods for the Instrumental Teacher (0.5 cc)
9. MU-385 Conducting II
10. MU-421 Student Teaching in the Elementary School
11. MU-422 Student Teaching in the Secondary School
12. Seven terms of participation in the Applied Music Course. (See p. 153)
13. Fulfillment of the general licensure grade point requirement (minimum 2.7 cumulative and in the major)

NOTE: *A recital is not required to complete the music education area of study but may be given with the approval of the studio instructor.*

In addition to completing at least one major area of study, transfer students must abide with the following to complete the requirements for graduation:

First Year Experience: Transfer students are not required to fulfill the requirements of the First-Year Experience, if they have completed at least one full-time college term since graduation from high school.

Writing Emphasis: Undergraduate degree-seeking students who start at Coe College or who transfer fewer than 8 course credits earned after graduation from high school must complete at least 5 writing emphasis courses. Of these 5, one will usually be the First Year Experience mentioned above. Students who transfer at least 8 but fewer than 16 course credits to Coe, earned after graduation from high school, must complete at least 3 writing emphasis courses. Students who transfer 16 or more course credits to Coe, earned after graduation from high school, must complete at least 2 writing emphasis credits.

General Education: Requirements include Liberal Arts selections in the four divisional areas (Natural and Mathematical Sciences, Social Sciences, Humanities, Fine Arts) and Diverse Cultural Perspectives courses. Any courses accepted in transfer for at least 0.75 course credit that fit the criteria of the Liberal Arts and/or Diverse Cultural Perspectives core groups can be applied towards the general education requirements as determined by the Registrar.

Academic Practicum: Transfer students are required to fulfill this requirement.

Biology

R. Christensen, Cozine (Co-Chair), Ellis, Keyes, Leonardo (Co-Chair), Leveille, Lo, Sanchini, Storer.

In addition to a major in biology, the college also offers collateral majors in **ENVIRONMENTAL SCIENCE** (see p. **Error! Bookmark not defined.**), **MOLECULAR BIOLOGY** (see p. **Error! Bookmark not defined.**), and **NEUROSCIENCE** (see p. **Error! Bookmark not defined.**). The biology program provides students with an early introduction to experimental design and use of instrumentation to investigate properties of cells and organisms. Opportunities to work one-on-one with faculty, in honors and independent study work or in research participation, is also available to students.

Biology Major

A major in biology requires a minimum cumulative 2.0 GPA over courses counted toward the major.

1. BIO-145/-145L Cellular and Molecular Biology and Laboratory (WE)
2. BIO-155/-155L Organismal and Ecological Biology and Laboratory (WE)
3. BIO-202 Topics in Evolution
4. BIO-205/-205L General Botany and Laboratory (WE)
5. BIO-235/-235L Genetics and Laboratory
6. One of the following:
BIO-355/-355L Animal Physiology and Laboratory
BIO-375/-375L Integrated Human Physiology and Laboratory
7. Three biology electives with the associated laboratories
8. CHM-121/-121L General Chemistry I and Laboratory
9. CHM-122/-122L General Chemistry II and Laboratory
10. One of the following:
MTH-135 Calculus I (strongly recommended for students considering attending graduate school)
STA-100 Statistical Foundations (7 weeks) **and** STA-110 Inferential Statistics (7 weeks)
STA-100 Statistical Foundations (7 weeks) **and** STA-130 Experimental Design (7 weeks)
11. Attendance at research seminars in junior and senior years

Strongly recommended:

One of the following sequences:

PHY-165/-165L Basic Physics I & Laboratory and PHY-175/-175L Basic Physics II & Laboratory

PHY-185/-185L General Physics I & Laboratory and PHY-195/-195L General Physics II & Laboratory

Business Administration and Economics

Baranowski, Carstens, Chen, J. Christensen, Crain, Eichhorn, Hall, Knudson, Kuennen (Chair), Melcher, Nguyen, Trout, Westberg.

The Stead Department of Business Administration and Economics offers majors in **ACCOUNTING**, **BUSINESS ADMINISTRATION**, **ECONOMICS**, **INTERNATIONAL BUSINESS**, and **INTERNATIONAL ECONOMICS**, and minors in economics and international economics. Students pursuing one or more of these are strongly encouraged to consult with departmental faculty to develop specific plans of study.

BUSINESS ADMINISTRATION

The study of business administration is designed to develop in its students a high degree of competence in the application of business theories and sound judgment to the solution of business operating problems. Graduates are able to contribute effectively to the activities of their organizations by applying business skills required to plan, analyze, and control company activities. Beyond enhancing the value of a firm, the graduate should have a firm knowledge from which to achieve professional growth in the workplace and/or graduate school. Students majoring in business administration have two options: the business administration major and the international business major (see p. **Error! Bookmark not defined.**). The business major is designed to prepare students in the core areas of business administration, with specific focus on management, finance, and marketing. Students are also provided the opportunity to specialize in a particular area through selection of elective courses. The international business major is designed to prepare students for specific challenges related to operating an organization in an international context.

Because of significant overlap in the business administration and the international business requirements, only one of the two majors may be elected by a student. See p. **Error! Bookmark not defined.** for the International Business major requirements.

Business Administration Major

A major in business administration requires a minimum cumulative 2.0 GPA in all courses counted toward the major.

1. ACC-171 Principles of Accounting I
2. ECO-175 Principles of Macroeconomics
3. BUS-190 Statistical Analysis (WE)

BUS-350 Principles of Finance
BUS-352 Corporate Finance
BUS-495 Investment Analysis
ECO-495 International Finance
 10. Two additional business courses numbered 200 or above

Students planning to attend graduate school in business are strongly encouraged to take calculus, additional statistics courses, intermediate level macro/microeconomics, quantitative management courses, and strategic management. Students should also discuss their graduate school plans with a member of the department to determine other courses that may be expected for admission to specific graduate programs.

Concentrations in Business

Students completing a major in Business Administration may elect to also complete a concentration of courses within a specific discipline in the major. Courses taken to fulfill requirements in the business major may be used to also fulfill requirements in an area of concentration. Students may declare only one concentration.

Concentrations are offered in management, marketing, and sports management. To complete a concentration, a student must meet the following requirements:

1. Completion of a major in Business Administration
2. Completion of five additional courses in which a cumulative 2.0 GPA must be earned. At least three of the five courses must be completed at Coe.

Management Concentration in Business

1. BUS-275 Principles of Management

CHEMISTRY

Dean, Noreuil, St. Clair, Singleton (Chair), Stead, Stoudt.

The chemistry department seeks to support Coe's mission by providing students with top-quality instruction and research opportunities. The department offers a major and minor in **CHEMISTRY** as well as collateral majors in **BIOCHEMISTRY** (see p. **Error! Bookmark not defined.**), **ENVIRONMENTAL SCIENCE** (see p. **Error! Bookmark not defined.**), and **NEUROSCIENCE** (see p. **Error! Bookmark not defined.**). Students considering a chemistry major may continue research in a graduate program, pursue a career in the health sciences or teach science at the secondary level.

Students who receive a grade of less than "C–" in a prerequisite course are expected to consult with the instructor of the subsequent course prior to continuing in the chemistry curriculum.

In addition to a major in **CHEMISTRY**, the chemistry department also offers an **AMERICAN CHEMICAL SOCIETY CERTIFIED CHEMISTRY MAJOR** (see p. 2). This major might be considered by students interested in chemistry as a career.

CREATIVE WRITING

Aspengren, McQueen, Sodeman (Administrative Coordinator).

The creative writing program (within the English Department) offers instruction in writing fiction, poetry, playwriting, and screenwriting. Students who wish to develop skills in writing non-fiction prose – journalism, personal essays, etc. – should consider the writing major offered by the rhetoric department. Workshop students are required to submit a collection of finished work at the end of each course. Included in this collection is reflective discussion of the composition history of the finished work.

Credit System: Coe uses the Coe Credit system. Courses are one credit unless otherwise indicated. Students are expected to complete 180 hours of work to earn one course credit, although class times vary from course to course. Other institutions may convert Coe credit to their system by considering one course credit to be 6 quarter hours, or 4 semester hours.

***Academic Plan:** All students must complete at Coe at least 40% of the total course credits required for each declared major or minor or three course credits, whichever is greater. In addition to completing at least one major area of study, transfer students must abide with the following to complete the requirements for graduation:

First Year Experience: Transfer students are not required to fulfill the requirements of the First-Year Experience, if they have completed at least one full-time college term since graduation from high school.

Writing Emphasis: Undergraduate degree-seeking students who start at Coe College or who transfer fewer than 8 course credits earned after graduation from high school must complete at least 5 writing emphasis courses. Of these 5, one will usually be the First Year Experience mentioned above. Students who transfer at least 8 but fewer than 16 course credits to Coe, earned after graduation from high school, must complete at least 3 writing emphasis courses. Students who transfer 16 or more course credits to Coe, earned after graduation from high school, must complete at least 2 writing emphasis credits.

General Education: Requirements include Liberal Arts selections in the four divisional areas (Natural and Mathematical Sciences, Social Sciences, Humanities, Fine Arts) and Diverse Cultural Perspectives courses. Any courses accepted in transfer for at least 0.75 course credit that fit the criteria of the Liberal Arts and/or Diverse Cultural Perspectives core groups can be applied towards the general education requirements as determined by the Registrar.

Academic Practicum: Transfer students are required to fulfill this requirement.

ECONOMICS

Economics is a social science concerning the study of how economic agents make choices in the face of scarcity. Economists study a broad variety of topics ranging from the theory of the consumer to economic growth and the wealth of nations. Students majoring in economics have two options: the economics major and the international economics major (see p. **Error! Bookmark not defined.**). The economics major is designed to permit a broad enough selection of courses for students to develop a general competence in economics, and to prepare students for graduate work in economics or other disciplines, such as law or business. The international economics major is designed to allow students who are interested in international studies to explore issues of development, growth, and international finance, using the tools of economic analysis.

Because of significant overlap in the economics and the international economics requirements, only one of the two majors may be elected by a student. Students majoring in economics or international economics may not minor in either economics or international economics. See p. **Error! Bookmark not defined.** for the International Economics major and minor requirements.

EDUCATION

Dabroski, Hanson, Hayes, Haynes-Moore, Johnson, Keeley, Kress (Chair), Lankema, Neilly, Neumann, Russell, Wolfe, Zrudsky.

Music: Carson, Shanley; Physical Education: Rydze.

Coe College believes that the most effective preparation for teaching is one that combines a liberal arts education with courses in the theory and practice of teaching. The education department has the responsibility for coordinating the efforts of the College to provide such a program.

Basic college requirements and those for a major area give students a well-rounded general education. Professional courses in education provide a foundation in principles and practices of teaching. Students gain practical experience in applying professional and general education through field experiences and, if pursuing licensure, through student teaching in area schools.

Students who successfully complete Coe's Education Program and student teaching are eligible to apply for an Iowa Initial Teacher License. Teaching licensure is governed by State of Iowa regulations. When changes in licensure requirements occur at the state level, they take precedence over College policies. For the most current policy information, students should consult the *Guide to Teacher Education*, available from the Education Office, Stuart Hall 409A, and online. The Education Office maintains records regarding Iowa licensure requirements. Students should consult a faculty member in the education department to arrange their respective courses of study.

The Education Program at Coe College is approved by the Iowa Department of Education. Copies of the annual report filed with the Iowa Department of Education are available on request.

Admission to the Education Program

The education department offers a major in **ELEMENTARY EDUCATION**, a minor in **SECONDARY EDUCATION**, and courses leading to three types of teacher licensure: K-6 classroom (elementary education); 5-12 content area (secondary education) and K-12 "specials" content area (art, music, physical education). The department also offers a non-licensure elementary education option for students who wish to work with children in settings that do not require licensure. The requirements for these programs are detailed below. Students pursuing any of these options, including the non-licensure option, must be admitted to the Education Program before being allowed to enroll in practicum and methods courses. Admission to Coe College does not guarantee admission to the Education Program. Relevant information related to applying to the Education Program is found in the *Guide to Teacher Education*.

Students must be admitted to the Education Program before they register for Practicum in Education (EDU-215) which should be taken in the sophomore or junior year. State of Iowa licensure requirements specify that a minimum of 70 hours of field experience be completed after admission to the Education Program and prior to student teaching. Students who wish to continue in the Education Program are encouraged to complete their application for admission to the program after taking Educational Foundations (EDU-205) and one other core education course and successfully completing the CBASE test. Application forms, available from the Education Office, should be: 1) submitted by the student to the student's advisor; 2) approved and signed by the advisor; 3) approved and signed by the chair of the department in which the student is majoring; and 4) forwarded to the secretary of the education department.

COE COLLEGE®

Coe makes it possible. You make it happen.

The Education Committee has responsibility for review of the Education Program, including admission of students into the program. In reviewing applications for admission to the program, the committee considers the following:

1. GPA (a minimum of 2.7 is required in education core courses, courses in the major and overall)
2. A grade of “C” (2.0) or higher must be earned in all courses counted toward a major or minor in education and in courses with which students are earning a secondary education endorsement.
3. Performance in education courses taken (determined, in part, by ratings on Teaching Dispositions form)
4. The essay completed on the application form
5. Satisfactory completion of basic skills testing as required by the Iowa Department of Education. (Consult the Education Office for information on the test currently in use and minimum passing scores. Test administration fees are the responsibility of the student.)
6. Other relevant information as provided by the chair and faculty of the education department and comments from faculty in classes the student is enrolled in or has recently taken.

Following consideration and action by the Education Committee, the student is notified in writing regarding the committee’s decision. Appeals may be made to the committee in writing. The committee evaluates such appeals on an individual basis, using its best judgment of the student’s suitability to enter the teaching profession. The process for further appeals is detailed in the *Guide to Teacher Education*.

Admission of Graduates of Other Institutions to the Education Program

Subject to review by the Education Committee, Coe may admit to the Education Program a student with a bachelor’s degree from another institution approved by a regional accrediting association. In most cases the committee will require completion of four courses at Coe, with at least a 2.7 GPA prior to student teaching. Such an applicant seeking elementary or secondary licensure, who received the highest degree more than 10 years prior to application to the Education Program at Coe, must complete two additional courses at Coe in the major area, with a grade of “C” (2.0) or higher, in addition to the required professional education courses.

Elementary Education/Non-Licensure

The majority of students who major in elementary education intend to become licensed K–6 classroom teachers and complete one term of full-time student teaching after completing the major requirements. Occasionally, however, a student may wish to work with young children in settings other than those for which certification is required. Such students may complete all of the required course work for the elementary education major without student teaching and are advised on supplementary course work to support their goals.

Requirements for Students Pursuing Teaching Licenses

To be recommended for licensure in any of the categories listed below, a student must have a baccalaureate degree, a cumulative GPA of at least 2.7, and at least a 2.7 GPA in each teaching field. The department can refuse to recommend for licensure a student who has been found to have violated the College’s Academic Integrity Policy. Further requirements for specific types of licensure are listed in the next paragraph.

Licensure in Art, Music and Physical Education

Preparation for teaching at the elementary (K–8) and secondary (5–12) levels in the special subject areas of

art, music, and physical education includes basic licensure requirements, plus special work in the fields of interest.

Requirements:

1. Students licensed in art, music, or physical education must have at least a 2.7 GPA in the courses in their specialty. All candidates for licensure must be recommended by the appropriate department.
2. Students who qualify for licensure in art or physical education (to teach at the elementary and secondary levels, K–12) must meet the general licensure grade point requirements and earn at least a 2.7 GPA in the following:
EDU-105 Educational Foundations (WE)
EDU-117 Exceptional Learners
EDU-187 Human Relations (WE)
EDU-195 Educational Psychology and Development
EDU-215 Practicum in Education (WE)
3. To be recommended by Coe College for K–8 and 5–12 licensure in Music, a student must meet the requirements for the Bachelor of Music degree with a major in Music Education (see p. **Error! Bookmark not defined.**). Music Education students take Practicum in Music Education/Field Study (MU-205) in place of Practicum in Education (EDU-215).
4. Demonstrate content-area knowledge and pedagogical knowledge by successfully passing state-required Praxis II exams.
5. Regular attendance and participation at student teaching seminar.
6. Successful portfolio presentation at the conclusion of the student teaching experience.

SECONDARY LICENSURE

Those interested in teaching at the secondary level must major in one or more teaching fields, minor in education, and meet the state requirements for a 5–12 endorsement. Teaching field(s) must be in subjects ordinarily taught in the secondary schools and for which Coe has approval by the Iowa Department of Education.

5–12 endorsements include: American Government, American History, Art, Biology, Business, Chemistry, Coaching (see Kinesiology), Economics, English/Language Arts, French, Health, Journalism, Math, Music, Physical Education, Physics, Psychology, Science, Sociology, Spanish, Speech/Theater, World History.

Requirements:

1. Demonstrate content-area knowledge and pedagogical knowledge by successfully passing state-required Praxis II exams.
2. Regular attendance and participation at student teaching seminar.
3. Successful portfolio presentation at the conclusion of the student teaching experience.

COE COLLEGE®

Coe makes it possible. You make it happen.

NOTE: *Not all Coe majors align perfectly with State of Iowa requirements for 5–12 endorsements. Students should check endorsement requirements on the education website, reference the Guide to Teacher Education, and consult with a member of the education faculty. Students seeking secondary licensure should also have an advisor in the Education department with whom they meet regularly (at least once per year) to ensure timely completion of all graduation, general education, and licensure requirements.*

ELEMENTARY LICENSURE

Requirements:

1. Completion of B.A. with a major in elementary education
2. Student Teaching (4 course credits):
EDU-492 Student Teaching in the Primary Grades: Grades K–3 (WE)
EDU-491 Student Teaching in the Upper Elementary Grades: Grades 3–6 (WE)
Two course credits each of primary and upper elementary student teaching are required, except by consent of department chair.
3. A K–6 Iowa teaching license must be accompanied by at least one K–8 endorsement available at Coe. K–8 endorsements include: Art, English/Language Arts, French, Spanish, Health, History, Mathematics, Music, Physical Education, Reading, Science, Social Studies, Speech. Students should consult department members for assistance in adding these endorsements to their elementary teaching license.
4. Demonstrate content-area knowledge and pedagogical knowledge by successfully passing state-required Praxis II exams.
5. Regular attendance and participation at student teaching seminar.
6. Successful portfolio presentation at the conclusion of the student teaching experience.

ELEMENTARY EDUCATION/NON-LICENSURE

The majority of students who major in elementary education intend to become licensed K–6 classroom teachers and complete one term of full-time student teaching after completing the major requirements. Occasionally, however, a student may wish to work with young children in settings other than those for which certification is required. Such students may complete all of the required coursework for the elementary education major without student teaching and are advised on supplementary coursework to support their goals.

Conversion Policy

Students who have completed elementary licensure requirements may be eligible to also obtain secondary licensure. In converting to secondary licensure, all secondary education requirements must be met, with the exception that the added student teaching is reduced from four credits to two. Similarly, students who have completed secondary licensure requirements may convert to elementary licensure by completing the elementary education requirements, but with only one two-credit elementary student teaching experience.

Iowa Distribution Requirements for All Students Seeking Licensure

According to state regulations, all teachers (including PE, art, and music) in Iowa “shall acquire a core of liberal arts knowledge including, but not limited to, English composition, mathematics, natural sciences, social sciences, and humanities.” For elementary education majors, these requirements are met by completing the State of Iowa Distribution requirement listed in the Elementary Education Major section below. While the state’s distribution requirements are consistent with Coe’s general education requirements, they are not

automatically met by these requirements. Education students should consult with their advisors to coordinate this mandate with the selection of courses for general education (see General Education, p. **Error! Bookmark not defined.**).

State of Iowa Distribution requirements for elementary education majors:

1. One mathematics course with a prefix of MTH or STA
2. One American History course (see History, p. **Error! Bookmark not defined.**)
3. One of the following:
EDU-237 English Language Learners (WE)
EDU-270 Literature K-12 (WE)

NOTE: *Not all Coe majors align perfectly with State of Iowa requirements for licensure. Students should check endorsement requirements on the education website, reference the Guide to Teacher Education, and consult with a member of the education faculty.*

Elementary Education Major

The elementary school teacher functions as a generalist who must draw upon a broad knowledge base from multiple disciplines. In recognition of this, the elementary teacher licensure program at Coe College consists of two components: 1) broad, general liberal arts with a limited area of specialization; and 2) educational studies. This program of undergraduate preparation for elementary school teachers is intended to promote exploration and a balanced education drawn from a variety of fields.

Completion of a major in **elementary education** requires:

1. All of the following Liberal Arts Requirements (minimum 10.0 course credits):
At least one course in each of the four fields of mathematics, natural sciences, social sciences, and humanities (see *State of Iowa Distribution Requirements*, p. 5).
2. A K–8 endorsement in Art, English/Language Arts, French, Spanish, Health, History, Mathematics, Music, Physical Education, Reading, Science, Social Studies, Speech.
3. A cumulative GPA of 2.7 or higher for the following professional education courses:
EDU-105 Educational Foundations (WE)
EDU-112 Expressive Methods (0.5 cc)
EDU-117 Exceptional Learners
EDU-187 Human Relations (WE)
EDU-195 Educational Psychology and Development
EDU-215 Practicum in Education (WE)
EDU-219 Educational Technology Lab (WE) (0.0 cc)
EDU-237 English Language Learners (WE) **OR** EDU-270 Literature K–12 (WE)
EDU-275 Mathematics Comprehension for Teaching
EDU-305 Methods of Elementary Science (WE)
EDU-335 Methods of Elementary Mathematics (WE)
EDU-345 Methods of Elementary Language Arts (WE)
EDU-355 Methods of Elementary Reading (WE)
EDU-365 Methods of Elementary Social Studies (WE)
KIN-112 Health Education for the Elementary Teacher (0.5 cc)

NOTE: *As is true for all majors, elementary education students are responsible for completion of Coe's general education requirements. Careful program planning may enable either greater breadth within the liberal arts or a deeper concentration within a specialty discipline. Programs containing such additional concentration may require more than four years of study. Elementary education students may, but do not need to, complete a second major in a single discipline.*

Secondary Education Minor

1. All of the following Liberal Arts Requirements (minimum 10.0 course credits):
At least one course in each of the four fields of mathematics, natural sciences, social sciences, and humanities (see *State of Iowa Distribution Requirements*, p. 5).
Fulfillment of the general licensure grade point requirement (minimum 2.7 cumulative and in the major).
A recommendation by the appropriate department in which licensure is sought.
Completion of a major in one or more teaching fields. Teaching field(s) must be in subjects ordinarily

taught in the secondary schools and for which Coe has approval by the Iowa Department of Education. Approved teaching fields include American Government, American History, Art, Basic Science, Biology, Business, Chemistry, Economics, English/Language Arts, French, Health, Math, Music, Physical Education, Physics, Psychology, Sociology, Spanish, Speech/Theater, and World History.

2. A GPA of 2.7 or higher in the following professional education courses:

EDU-105 Educational Foundations (WE)

EDU-117 Exceptional Learners

EDU-187 Human Relations (WE)

EDU-195 Educational Psychology and Development

EDU-215 Practicum in Education (WE)

(0.5 cc)

MU-363 Instrumental Music Methods **AND** MU-364 Choral Music Methods for the Instrumental Teacher
(0.5 cc)

3. Satisfactory completion of:

EDU-481 Student Teaching in Art at the Secondary School (WE)

EDU-482 Student Teaching in Physical Education at the Secondary School (WE)

EDU-489 Student Teaching in the Senior High School (WE)

EDU-490 Student Teaching in Middle School or Junior High School (WE)

MU-422 Student Teaching in the Secondary School

Two course credits each of middle school/junior high and senior high student teaching are required or four course credits of either with consent of department chair.

4. Regular attendance and participation at student teaching seminar.
5. Successful portfolio presentation at the conclusion of the student teaching experience.

STUDENT TEACHING

Permission to student teach requires approval of the Teacher Education Committee. Applications are due by February 1 for student teaching the following Fall Term and by September 1 for student teaching the following Spring Term. Application forms are available from the Education Office.

When an application for permission to student teach is considered, the student's standing in the Education Program is reviewed. The committee considers:

1. Recommendations of cooperating teacher(s) during the student's field experience(s).

COE COLLEGE®

Coe makes it possible. You make it happen.

2. Recommendations of the student's major department(s).
3. A grade of "C" (2.0) or higher must be earned in all courses counted toward a major or minor in education and in courses with which students are earning a secondary education endorsement.
4. GPA (minimum of 2.7 required – cumulative, in the major and in all education courses).
5. Review by education department faculty.

Student teaching is the culminating experience of the Education Program. It involves observation and active participation in directing the learning experiences in a school classroom, under the supervision of a cooperating teacher and the college supervisor. A minimum of four course credits of student teaching is required. All student teachers should register for both upper and lower grade levels, except by consent of department chair. Student teaching in all subjects is available for one to four course credits for students earning both Elementary and Secondary licensure.

Normally, students complete two seven- to eight-week placements, with each placement worth two credits. Successful completion of the student teaching semester, including attendance at and participation in the student teaching seminar, earns four credits. Student teaching is a full-time obligation and must be completed in one term. Evaluated on a P/NP basis only.

Ninth-Term/Fifth-Year Programs

Students who want to include more course work in their liberal arts and sciences curriculum in conjunction with completing requirements for elementary and/or secondary teacher licensure may apply for a Ninth-Term/Fifth-Year tuition reduction. Both options are open to all students who have been admitted to the Education Program and meet requirements for student teaching.

Students participating in the Ninth-Term/Fifth-Year Programs are eligible for a 60% discount on full-time tuition, if the following criteria are met: 1) the student must be in good standing with the college (not on academic probation); 2) the student must be registered as a full-time student; 3) the student must have completed 32 course credits, sixteen of which were taken at Coe; and 4). Students who have satisfactorily completed four years of full-time registration at Coe may also apply for this reduction. Students continue to be eligible to apply for student loans and any available federal and state government grants. This reduction can only be given for a maximum of two terms and applies only to regular full-time tuition charges for undergraduate campus-based programs. Applications for tuition reduction are available from the Education Office.

Exemptions from these requirements may be granted in unusual circumstances with the approval of the Provost and Dean of the Faculty and the education department chair. A written request for such consideration, detailing the circumstances and rationale, should be made to the education department chair.

Credit System: Coe uses the Coe Credit system. Courses are one credit unless otherwise indicated. Students are expected to complete 180 hours of work to earn one course credit, although class times vary from course to course. Other institutions may convert Coe credit to their system by considering one course credit to be 6 quarter hours, or 4 semester hours.

***Academic Plan:** All students must complete at Coe at least 40% of the total course credits required for each declared major or minor or three course credits, whichever is greater. In addition to completing at least one major area of study, transfer students must abide with the following to complete the requirements for graduation:

First Year Experience: Transfer students are not required to fulfill the requirements of the First-Year Experience, if they have completed at least one full-time college term since graduation from high school.

Writing Emphasis: Undergraduate degree-seeking students who start at Coe College or who transfer fewer than 8 course credits earned after graduation from high school must complete at least 5 writing emphasis courses. Of these 5, one will usually be the First Year Experience mentioned above. Students who transfer at least 8 but fewer than 16 course credits to Coe, earned after graduation from high school, must complete at least 3 writing emphasis courses. Students who transfer 16 or more course credits to Coe, earned after graduation from high school, must complete at least 2 writing emphasis credits.

General Education: Requirements include Liberal Arts selections in the four divisional areas (Natural and Mathematical Sciences, Social Sciences, Humanities, Fine Arts) and Diverse Cultural Perspectives courses. Any courses accepted in transfer for at least 0.75 course credit that fit the criteria of the Liberal Arts and/or Diverse Cultural Perspectives core groups can be applied towards the general education requirements as determined by the Registrar.

Academic Practicum: Transfer students are required to fulfill this requirement.

ENGLISH

Aspengren, Hausknecht, McQueen, Saleses, Shaw, Sodeman (Chair).

The study of English allows students to explore a wide range of literary and cultural productions from varied parts of the world. Our courses develop habits of mind that are fundamental to liberal education, including the ability to read critically, to think creatively, and to write clearly and with verve.

In consultation with their advisors, English majors are able to design personalized programs of study that attend to the historical and geographical range of literatures in English. Students considering graduate work in literature should consult with English faculty to plan a rigorous course of study that would typically include an honors thesis and coursework in a world language.

English Major

A major in English requires a minimum cumulative 2.0 GPA in all courses counted toward the major.

1. ENG-101 Introduction to Literary Studies: The Art of Reading and Writing (WE)
2. ENG-281 Literatures in English to 1800 (WE)
3. ENG-291 Literatures in English after 1800 (WE)
4. ENG-301 The Art of Literary Research (WE)
5. Three English courses numbered 305 or above, one of which must be in British literature before 1800.
6. Two additional English course credits, one of which may be in Creative Writing or in French, or Spanish literature in translation (FRE-145, FRE-146, FRE-148, or SPA-148).
7. ENG-464-Seminar in Literature (WE) or ENG-467 Seminar in Literature: United States Pluralism (WE)

English Minor

The minor in English consists of five course credits, including Introduction to Literary Studies: The Art of Reading and Writing (ENG-101) and two English courses numbered 300 or above. One course in Creative Writing (CRW-) or in French, or Spanish literature in translation (FRE-145, FRE-146, FRE-148, or SPA-148) may count toward the five course credits.

FRENCH & FRANCOPHONE STUDIES

Janca-Aji

The French & Francophone Studies program is an intercultural and interdisciplinary program featuring courses in language, cultural history, literature and cinema, translation and interpretation, and pre-professional studies. Students are strongly encouraged to pursue opportunities for immersive and experiential learning through study abroad, May Term courses, service learning, and community-based projects and to explore ways to incorporate French in and with other major(s).

French & Francophone Studies Major

A grade of "C" (2.0) or higher must be earned in all courses counted toward a major in French & Francophone Studies. Students complete eight credits of 300- to 400-level courses in French. FRE-315 Oral and Written Communication Skills (WE) is required. Up to three credits may be earned by successfully completing a study abroad program in France or a francophone country that is approved by the College and the department. Up to one credit may be earned from a list of approved courses taught in English. One credit from a course taught in French must be taken in the senior year. FRE-499 Exit Exam and Interview is required during the final term before graduation.

French & Francophone Studies Minor

A grade of "C" (2.0) or higher must be earned in all courses counted toward a minor in French & Francophone Studies. Students complete a minimum of four credits of 300- to 400-level courses in French. FRE-315 Oral and Written Communication Skills (WE) is required. Up to one credit may be earned from a list of approved courses taught in English. FRE-499 Exit Exam and Interview is required during the final term before graduation.

Interdisciplinary French & Francophone Studies Major

A grade of "C" (2.0) or higher must be earned in all courses counted toward a major in Interdisciplinary French & Francophone Studies. Students complete 1) four credits of courses taught in French at any level, including FRE-315 Oral and Written Communication Skills (WE), 2) a departmentally approved term-long study abroad experience in France or a Francophone country, and 3) four credits from courses, taught in either French or English, from the list of approved courses which include at least two different prefixes and demonstrate thematic coherence. Courses not on this list may count for credit with approval of the program coordinator. FRE-499 Exit Exam and Interview is required during the final term before graduation.

Interdisciplinary French & Francophone Studies Minor

A grade of "C" (2.0) or higher must be earned in all courses counted toward a minor in Interdisciplinary French & Francophone Studies. GENERAL SCIENCE

Singleton (Administrative Coordinator)

The General Science major is of particular value to students who desire pre-professional preparation in medicine and related fields, as well as those planning to teach in natural science areas at the secondary level. Pre-engineering students frequently use this concentration in 3-2 plans.

General Science Major

A major in general science requires a minimum cumulative 2.0 GPA in all courses counted toward the major. Students choosing a collateral major in the natural sciences or Neuroscience may not select the major in General Science.

Students earning more than one major in the natural sciences or a major and a minor in the natural sciences are not eligible for the General Science major.

A major in general science requires a minimum of thirteen course credits from the natural science areas of biology, chemistry, mathematics, and physics. At least seven of these 13 course credits must be above the introductory level and at least two course credits must be in biology.

1. Six course credits in one of the four natural science areas
2. Five course credits in a second natural science field (or mathematics through Linear Algebra (MTH-265))
3. Two course credits in a third natural science field

Satisfactory completion of comprehensive requirements in each of the major areas.

HISTORY

Arnold, Buckaloo, Keenan (Chair), Nordmann, Ziskowski.

The history department allows students the opportunity to study history broadly, while also focusing on specific interests. Students learn how to express themselves, both orally and in writing, and, in the liberal arts tradition, are taught to learn quickly, communicate clearly, and build a rewarding career and life in their chosen field.

History Major

A major in history requires a minimum cumulative 2.0 GPA in all courses counted toward the major.

1. Four courses in one of these two combinations:

HIS-115 History of Europe to 1500

HIS-125 History of Europe Since 1500

HIS-145 History of the United States to 1865 **or** HIS-155 History of the United States Since 1865

MATHEMATICAL SCIENCES

Cross (Chair), Herron, Hostetler, Hughes, Miller, Stobb, White.

The department of mathematical sciences offers a complete range of courses, with majors and minors available in COMPUTER SCIENCE, DATA SCIENCE and MATHEMATICS, as well as courses in statistics for additional breadth. The department adheres to its belief that the mathematical sciences and the habits of mind that they engender are components of a fine liberal arts education.

Mathematics Major

A major in mathematics requires a minimum cumulative 2.0 GPA in all courses counted toward the major.

1. MTH-135 Calculus I
2. MTH-145 Calculus II
3. MTH-215 Foundations of Advanced Mathematics (WE)
4. MTH-255 Calculus III
5. MTH-265 Linear Algebra
6. MTH-385 Modern Algebra I
7. CS-125 Introduction to Programming
8. One of the following:
MTH-415 Real Analysis I
MTH-445 Complex Analysis (WE)
9. Three of the following:
STA-315 Probability and Statistics I
STA-325 Probability and Statistics II
MTH-305 Advanced Geometry (WE)
MTH-325 Differential Equations (WE)
MTH-395 Modern Algebra II
MTH-415 Real Analysis I (if not used to satisfy #8)
MTH-425 Real Analysis II
MTH-444 Independent Study
MTH-445 Complex Analysis (WE) (if not used to satisfy #8)
MTH-455 Mathematical Modeling (WE)
MTH-463 Set Theory and Topology
MTH-484 Special Topics (WE)

NOTE: *A course in statistics and a course in geometry are required for the Iowa teaching endorsement in mathematics at either the elementary or secondary school level. Students planning to teach should consult with faculty in the education department.*

Mathematics Minor

1. MTH-135 Calculus I
2. MTH-145 Calculus II
3. MTH-215 Foundations of Advanced Mathematics (WE)
4. Three of the following:
STA-315 Probability and Statistics I
STA-325 Probability and Statistics II
MTH-255 Calculus III

Credit System: Coe uses the Coe Credit system. Courses are one credit unless otherwise indicated. Students are expected to complete 180 hours of work to earn one course credit, although class times vary from course to course. Other institutions may convert Coe credit to their system by considering one course credit to be 6 quarter hours, or 4 semester hours.

***Academic Plan:** All students must complete at Coe at least 40% of the total course credits required for each declared major or minor or three course credits, whichever is greater. In addition to completing at least one major area of study, transfer students must abide with the following to complete the requirements for graduation:

First Year Experience: Transfer students are not required to fulfill the requirements of the First-Year Experience, if they have completed at least one full-time college term since graduation from high school.

Writing Emphasis: Undergraduate degree-seeking students who start at Coe College or who transfer fewer than 8 course credits earned after graduation from high school must complete at least 5 writing emphasis courses. Of these 5, one will usually be the First Year Experience mentioned above. Students who transfer at least 8 but fewer than 16 course credits to Coe, earned after graduation from high school, must complete at least 3 writing emphasis courses. Students who transfer 16 or more course credits to Coe, earned after graduation from high school, must complete at least 2 writing emphasis credits.

General Education: Requirements include Liberal Arts selections in the four divisional areas (Natural and Mathematical Sciences, Social Sciences, Humanities, Fine Arts) and Diverse Cultural Perspectives courses. Any courses accepted in transfer for at least 0.75 course credit that fit the criteria of the Liberal Arts and/or Diverse Cultural Perspectives core groups can be applied towards the general education requirements as determined by the Registrar.

Academic Practicum: Transfer students are required to fulfill this requirement.

PHILOSOPHY

Hoover, Javoroski, Lemos.

The philosophy and religion department offers courses designed to lead students to reflect on their views concerning fundamental issues in life and thought. Since both the philosophical and religious traditions have had a central place in and an enormous influence upon the development of human culture, any student seeking a liberal education, whatever the major discipline, will profit from the departmental offerings.

PHILOSOPHY

Philosophy Major

A grade of “C” (2.0) or higher must be earned in all courses counted toward a major in philosophy.

1. Two of the following, one of which must be either Early Modern Philosophy (WE) (PHL-240) or Late Modern Philosophy (WE) (PHL-335):
PHL-220 Ancient Greek Philosophy (WE)
PHL-230 Medieval Philosophy (WE)
PHL-240 Early Modern Philosophy (WE)
PHL-335 Late Modern Philosophy (WE)
2. Three additional 300-level philosophy courses
3. Five additional philosophy courses, at least two of which must be numbered 200 or above
4. PHL-490 Philosophy Colloquium (WE) (non-credit bearing)

NOTE: *The recommended beginning course in philosophy for those contemplating a major in philosophy is Introduction to Philosophy (PHL-105). However, any of the other 100-level courses are also suitable first courses. Some courses numbered between 200 and 299 may be suitable first courses for students with sophomore standing.*

Philosophy Minor

1. Two of the following, one of which must be either Early Modern Philosophy (WE) (PHL-240) or Late Modern Philosophy (WE) (PHL-335):
PHL-220 Ancient Greek Philosophy (WE)
PHL-230 Medieval Philosophy (WE)
PHL-240 Early Modern Philosophy (WE)

PSYCHOLOGY

Baker, Brown, Chihak, Dunn, Farrell (Chair), Kelly, Recker, Penalver.

Psychology is the scientific study of behavior and mental processes—the basis for both a field of scientific knowledge and of professional application. Both required and elective courses in psychology are grounded in the scientific approach. As an important tool for the understanding of both theory and data, the study of basic statistical and methodological concepts is included among courses required of all students majoring in psychology.

In addition to a major in **PSYCHOLOGY**, the College also offers collateral majors in **NEUROSCIENCE** (see p. **Error! Bookmark not defined.**) and **ORGANIZATIONAL SCIENCE** (see p. **Error! Bookmark not defined.**).

Secondary Education Certification in Psychology

Students seeking certification to teach psychology at the secondary level are strongly encouraged to speak with an advisor in Education as early as possible in their program of studies.

Credit System: Coe uses the Coe Credit system. Courses are one credit unless otherwise indicated. Students are expected to complete 180 hours of work to earn one course credit, although class times vary from course to course. Other institutions may convert Coe credit to their system by considering one course credit to be 6 quarter hours, or 4 semester hours.

***Academic Plan:** All students must complete at Coe at least 40% of the total course credits required for each declared major or minor or three course credits, whichever is greater. In addition to completing at least one major area of study, transfer students must abide with the following to complete the requirements for graduation:

First Year Experience: Transfer students are not required to fulfill the requirements of the First-Year Experience, if they have completed at least one full-time college term since graduation from high school.

Writing Emphasis: Undergraduate degree-seeking students who start at Coe College or who transfer fewer than 8 course credits earned after graduation from high school must complete at least 5 writing emphasis courses. Of these 5, one will usually be the First Year Experience mentioned above. Students who transfer at least 8 but fewer than 16 course credits to Coe, earned after graduation from high school, must complete at least 3 writing emphasis courses. Students who transfer 16 or more course credits to Coe, earned after graduation from high school, must complete at least 2 writing emphasis credits.

General Education: Requirements include Liberal Arts selections in the four divisional areas (Natural and Mathematical Sciences, Social Sciences, Humanities, Fine Arts) and Diverse Cultural Perspectives courses. Any courses accepted in transfer for at least 0.75 course credit that fit the criteria of the Liberal Arts and/or Diverse Cultural Perspectives core groups can be applied towards the general education requirements as determined by the Registrar.

Academic Practicum: Transfer students are required to fulfill this requirement.

RELIGION

Chaplin, Hatchell (Chair), Kensky.

The philosophy and religion department offers courses designed to lead students to reflect on their views concerning fundamental issues in life and thought. Since both the philosophical and religious traditions have had a central place in and an enormous influence upon the development of human culture, any student seeking a liberal education, whatever the major discipline, will profit from the departmental offerings.

Religion Major

A grade of “C” (2.0) or higher must be earned in all courses counted toward a major in religion.

1. One of the following:
REL-101 Introduction to Religion (WE)
REL-103 Belief and Unbelief (WE)
2. REL-106 Eastern Religions
3. REL-108 Western Religions (WE)

Religion Minor

1. One of the following:
REL-106 Eastern Religions
REL-108 Western Religions (WE)
2. Four additional religion courses

COURSES IN RELIGION BY CONTENT AREA

Special attention should be given to the numerical ordering of the courses listed below:

1. Courses numbered between 100 and 199 include general introductions to religion (Introduction to Religion REL-101, Belief and Unbelief REL-103, Eastern Religions REL-106, and Western Religions REL-108) as well as introductory courses focused on specific traditions.
2. Courses numbered 200-299 are topical courses especially suitable for sophomore level and above.
3. Courses numbered 300-399 are advanced courses with prerequisites.

Recommended beginning courses for those contemplating a major in religion are: Introduction to Religion (REL-101), Belief and Unbelief (REL-103), Eastern Religions (REL-106), or Western Religions (REL-108). However, other courses numbered below 200 are also suitable introductory courses.

Social & Criminal Justice

L. Barnett, J. Christensen, McNabb (Administrative Coordinator).

The Social & Criminal Justice Program offers students an opportunity to immerse themselves in an interdisciplinary major that draws from Coe's rich tradition in the liberal arts, as well as the pre-professional opportunities at the college. Core courses in the major address multifaceted questions surrounding restorative, retributive, procedural, and distributive justice. While many programs addressing such issues are housed in the field of criminal justice studies, the SCJ faculty teach topics within the major from varying perspectives and disciplines, introducing students to the ways in which matters of justice are at work in — and essential to — many areas of study.

The major is both local and global in nature, exhibiting the possibilities and limitations of social and criminal justice initiatives in the Cedar Rapids community, while also navigating matters of human rights and comparative justice systems that reveal our connections to the broader world.

Through interdisciplinary engagement and a required practicum, the SCJ program demonstrates for students how a multiplicity of voices and viewpoints can help to shape new ideas about the impact of social justice initiatives upon the criminal justice system, and the foundations of individual and collective community engagement.

SPANISH / SPANISH STUDIES

Chaimov (Administrative Coordinator), Johnson, Perez, Rodriguez Moreno, Suarez.

Spanish Major

A grade of “C” (2.0) or higher must be earned in all courses counted toward a major in Spanish.

Students who major in Spanish complete a minimum of eight courses in Spanish beyond Intermediate Spanish II (SPA-225), though Spanish Literature in Translation (SPA-148) may be taken as one of the eight. Elementary Spanish (SPA-115/125), Spanish Review and Preparation (SPA-135), and Intermediate Spanish (SPA-215/225) are regarded as skill-building courses, and do not count toward the major in Spanish. Spanish students are urged to substitute study abroad in a program approved by the College and the department for up to three courses for the major. One Hispanic literature course (SPA-336 or above) must be taken in the senior year.

SPA-464 Capstone in Spanish is required during the final spring term before graduation. Students selecting Spanish as a second teaching field should complete a minimum of four Spanish courses numbered 315 or above. Any advanced courses taken for the second teaching field should include Spanish Composition and Conversation (SPA-315).

Spanish Minor

A grade of “C” (2.0) or higher must be earned in all courses counted toward a minor in Spanish.

The minor in Spanish requires the completion of four courses beyond Intermediate Spanish II (SPA-225), though with the consent of department chair, Spanish Literature in Translation (SPA-148) may be taken as one of the four. Elementary Spanish (SPA-115/125), Spanish Review and Preparation (SPA-135), and Intermediate Spanish (SPA-215/225) are regarded as skill-building courses, and do not count toward the minor in Spanish.

Spanish Studies Major

A grade of “C” (2.0) or higher must be earned in all courses counted toward a major in Spanish Studies.

The Spanish Studies major requires: 1) successful completion of four courses beyond Intermediate Spanish II (SPA-225), with Hispanic Life and Culture (SPA-336/ -338) recommended as one of the four; and 2) successful completion of a departmentally approved list of five courses proposed by the student which exhibits both internal coherence and relevance to the course work in Spanish. Typically, application to the department for the approval of the interdisciplinary elected courses is to be made no later than the Spring Term of the junior year. Elementary Spanish (SPA-115/125), Spanish Review and Preparation (SPA-135), and Intermediate Spanish (SPA-215/225) are regarded as skill-building courses, and do not count toward the major in Spanish Studies.

*Additional upper-level coursework is accepted in many instances. Please review the information below and contact us for assistance.

Credit System: Coe uses the Coe Credit system. Courses are one credit unless otherwise indicated. Students are expected to complete 180 hours of work to earn one course credit, although class times vary from course to course. Other institutions may convert Coe credit to their system by considering one course credit to be 6 quarter hours, or 4 semester hours.

***Academic Plan:** All students must complete at Coe at least 40% of the total course credits required for each declared major or minor or three course credits, whichever is greater. In addition to completing at least one major area of study, transfer students must abide with the following to complete the requirements for graduation:

First Year Experience: Transfer students are not required to fulfill the requirements of the First-Year Experience, if they have completed at least one full-time college term since graduation from high school.

Writing Emphasis: Undergraduate degree-seeking students who start at Coe College or who transfer fewer than 8 course credits earned after graduation from high school must complete at least 5 writing emphasis courses. Of these 5, one will usually be the First Year Experience mentioned above. Students who transfer at least 8 but fewer than 16 course credits to Coe, earned after graduation from high school, must complete at least 3 writing emphasis courses. Students who transfer 16 or more course credits to Coe, earned after graduation from high school, must complete at least 2 writing emphasis credits.

General Education: Requirements include Liberal Arts selections in the four divisional areas (Natural and Mathematical Sciences, Social Sciences, Humanities, Fine Arts) and Diverse Cultural Perspectives courses. Any courses accepted in transfer for at least 0.75 course credit that fit the criteria of the Liberal Arts and/or Diverse Cultural Perspectives core groups can be applied towards the general education requirements as determined by the Registrar.

Academic Practicum: Transfer students are required to fulfill this requirement.

THEATRE ARTS

D. Barnett, Downes, Ganfield, Rezabek, Schmidt, Steffens, Wolverton (Chair)

The Theatre Arts program is designed to provide a balance between academic and experiential learning for all interested students. The goal is to offer opportunities for student participation in all aspects of theatre, on stage and in the classroom, and to enrich the cultural and academic life of the College.

The program accommodates both majors and minors through courses focused on theatrical history, theory and literature, as well as through training in acting, directing, design, and theatrical production. This foundation prepares students for graduate study and for any field that values high-level communication skills, as well as for careers in theatre as teachers, artists, technicians, or managers.

As a means of helping students prepare for graduate study and/or a professional career, all majors are required to present an audition piece or a portfolio for annual review beginning in their second year. The senior seminar provides a capstone experience, giving students an opportunity to reflect on their development as theatre artists, and to examine theatre as a collaborative art form.

For the campus community at large, as audience members or as occasional participants, the program offers a wide range of drama selected both to educate and to entertain.

Theatre Arts Major

A major in Theatre requires a cumulative 2.0 GPA in all courses counted toward the major.

Theatre Arts Core Courses (required of all students majoring in theatre arts):
