PLEASE NOTE: Anything that could be considered a safety concern, could cause facility damage, might interfere with fire safety systems or may be disruptive to other students should not be brought to campus. Students found with prohibited items will be required to dispose of the item and may be subject to disciplinary action through the student conduct process.

KEEP IN MIND: The average room size in first-year halls is 12 feet x 15 feet for two people. Plan to bring only what you need for move-in and pick up additional items after move-in day. Remember the furniture in your residence hall room must remain in your room for the year. You are responsible for this furniture during your time here, and unfortunately Coe does not have the ability to store it elsewhere.
